Have You Heard?

Dorothy McCain Elsenius

Have you heard . . . about Lou Escola's 6 foot poorboy sandwiches?? They are proving so popular that one steady customer ordered one for his wedding, and had his picture taken cutting the sandwich instead of the traditional wedding cake. He's promised to get a picture to prove it, too. Watch for the picture at Lou's popular delicatessen at 1007 Solano—they don't call him the King of Sandwiches for nothing!

If you see a tall, distinguished looking white-haired gentleman strolling leisurely along the street in Albany, and he looks vaguely familiar—take another look, it's probably Bert Haesloop, recently retired from the Post Office Dept. and not as easily recognized out of uniform.

For the information of those of you old timers, who like me, have a hard time remembering new names — Phyllis Shattock, who is being honored by Vista School PTA, is our old friend Phyllis Nickerson with different name. So be sure to stop in today between 4 and 6 p.m., to wish her well in her retirement, and thank her for all the services she has given the students and PTA members in the past 22 years.

Mabel and Adolph Sbragia of Albany are as happy as a couple of kids with a new toy. They've ordered a spanking new mobile home (don't call it a trailer — Adolph gets up-tight when you do) and are anxiously awaiting its delivery at a mobile home park in Sonora.

Mabel recently retired from Standard Oil in Richmond, and when Adolph retires in November from his many years as a tug boat captain, they will establish residence in Sonora — but they plan to re-visit Albany and their old friends periodically, of course.

Congratulations to Jim Donovan, a senior at St. Mary's High, who was the recipient of the annual Anna Mahony Award from the Berkeley-Albany Red Cross, for his outstanding work with the RC Youth Program. This fine group of teenagers devotes many volunteer hours to helping others so they all are an asset to their communities.

Congratulations are also in order to Clark Summers of Albany's University Village, who

Police Report Decrease In Residential Burglaries

The Albany Police Department has reported a decrease in residential burglaries over the last few weeks, although a few homes have still been entered through unlocked doors while the victims were doing yard work.

Two such incidences took place last week—with happy endings, however. In the first instance there was an attempted burglary made, while the resident was in the front yard, however, the attempt was unsuccessful.

In the second attempt, a 13-year old Berkeley boy entered the house through an unlocked and open rear door, again while the victim was doing yard work.

He was apprehended and the woman's purse was returned.

A Volkswagen was taken from in front of a residence on Albany Terrace, and two parked vehicles were burgled. An 8-track stereo tape deck was stolen from a car parked in front of a Brighton Ave. residence and an "Auto Radio" 8-track tape player and tapes were taken from a car parked in the Albany Bowl parking lot.

An El Cerrito man was the victime of a strong arm robbery on Saturday, on San Pablo Avenue, immediately across from the Police Station. The victim was knocked down and robbed of his wallet, but did not report the incident until two hours later, after he had been taken to the hospital by a friend.

The Police Department is still warning residents on leaving their doors and windows unlocked and open, and also requesting reports on suspicious persons seen loitering in the neighborhoods.

Kains Avenue Study Referred To Traffic and Safety Commission

The Albany City Council has asked the Traffic and Safety Commission to study traffic conditions in the 1000 block of Kains and neighboring streets, in order to determine whether to leave that block open to two-way traffic, change it to one-way, and/or possibly restrict parking to one side.

Most of the audience who spoke at the Kains Avenue public hearing on May 29, indicated they were opposed to having it made a one-way street, because of the faster traffic it would probably generate, on a street already heavily traveled.

The Commission will report back to the Council on the findings and a further hearing will then be scheduled.

Other Council action at the May 29 meeting included: the introduction and approval of three resolutions—to modify parking requirements at Solano Avenue and Pierce St.; supporting S.32, the National Science Policy and Priorities Act, and approving the hiring of Mrs. Elizabeth Dalrymple as a full-time Civilian Clerk in the Police Department, as recommended by Chief of Police Ralph Jensen.

Two ordinances were also approved: No. 73-04, authorizing an amendment to the contract between the City Council and the Board of Administration of the California Public Employees' Retirement System, and No. 73-05, regulating massage establishments, massage technicians and massage service within the City of Albany.

Both girls will leave Albany on June 30, on a cross-country bus tour to the East Coast, where they will leave by plane for the return trip to their native countries.

Hostessing the reception will be: Mrs. Lee Keck, chapter president; Mrs. Si Gershenson, president-elect, and Mrs. Fletcher.

The reception is an annual affair, to which all friends of the Albany Chapter of the American Field Service are invited.

A proposed resolution commending the East Bay Municipal Utility District's 50th Anniversary was also approved, as was a request from the East Bay Chapter of the Association of the United States Army, to have June 14 proclaimed Flag Day in the City of Albany.

Recommendations from James Turner, Administrative Officer, concerning funding for the Marin Avenue resurfacing project also received Council approval.

At the close of the regular Council meeting, Mayor Lewis Howell announced that the four Councilmen present (Councilman Richard Clark was absent) would adjourn to a work session to go over the preliminary budget. He invited and urged the public to attend these sessions.

Short Council Meeting, Only 3 Members Present

With only three Albany Councilmen present, items on the regular Monday night Council meeting agenda were dispensed with in a short 12 minutes. Mayor Lewis Howell was ill, and Councilman Richard Clark, who was away for the second consecutive meeting, was reported to be attending the National Governors' meeting in Tahoe.

The lone bid received for chain link fencing and stucco overlay at Albany Pre-School, was opened and rejected. The Oakland Fence Co. bid $1,241 for the fencing only, and City Administrator James Turner advised the rejection because only $900 had been budgeted for both items.

The Council instructed the City Engineer and the Park and Recreation Dept. Superintendent to seek alternate methods of solving the problem.

A resolution was approved, appointing Elizabeth Dalrymple as a fulltime civilian clerk in the Albany Police Dept., as were resolutions commending Capt. John Hoeth upon his retirement from the Albany Fire Dept., and one congratulating Chief of Police Ralph Jensen upon his retirement.

An ordinance concerning the regulation of massage establishments, massage technicians and massage services, was referred to City Attorney Larry Saler, who will make a final draft and return it to the Council at next Monday night's meeting.

A communication from Police Chief Ralph Jensen indicated he had no objection to the issuance of an alcoholic beverage license for the Sweetheart Club at 953 San Pablo Ave., and the Council accepted his recommendation, stating that it was a mere transfer of ownership; and a request from ALSAC, St. Jude Children's Research Hospital, requesting the proclaiming of the week of June 1-7 as St. Jude Children's Research Hospital Week, was approved.

Under the "good of the City," Peter Dugans of 1447 Thousand Oaks, who declared himself an avid tennis player, informed Council members that he was "appalled" because Pomona Ave. dedication festivities were held in the new tennis courts, on the newly-cured surface.

He noted that on Sunday he observed school and city officials walking on the courts in their street shoes, and when he checked them later they had been marked up and the surface broken up in spots.

He requested that the City have a better program to police the courts, that as a taxpayer, as well as a tennis player, he could see no sense in destroying the courts through the dedication.

If the Final Judgment is entered, all claims in the matter of the persons in the alleged class consisting of property owners and residents in the vicinity of Albany Hill and of recreational users of Albany Hill, other than those persons requesting exclusion, will be finally determined. The Court is considering entering said Final Judgment on July 6, 1973.

No. 434257

FINAL JUDGMENT

I

The general terms of this Final Judgment were stipulated to in open court on April 30, 1973, before the Honorable Lewis E. Lercara, Judge of the Superior Court of the State of California, in and for the County of Alameda, by: California Public Interest Law Center, Inc., a plaintiff by Peter Blackman and Marx Elmer, as counsel for said plaintiff, Peter Blackman as counsel for all other plaintiffs; plaintiff Friends of Albany Hill, an unincorporated, non-profit association, consisting of approximately 40 members with the following officers and directors acting on its behalf: Catherine Webb, Richard Spellman, Darlene Schmidt and Barbara Stone Mackey; plaintiff Catherine Webb individually and on behalf of a class of persons similarly situated; the following individual members of the alleged class: John MacInnis, Catherine Webb, Richard Spellman, Darlene Schmidt and Barbara Stone Mackey; defendant Albany City Council by its attorneys, Lawrence D. Saler, Albany City Attorney, and Robert T. Anderson; and defendant Interstate General Development, Inc., by its Vice-President Eugene Hill and its counsel William L. Mahaffey. The specific terms of this Final Judgment were stipulated to as recited in the Stipulated Order for Final Judgment and for Notice to Class of Final Judgment entered herein on June 5, 1973.

II

Defendant Interstate General Development, Inc. (hereinafter "Interstate") owns approximately 3 acres of Albany Hill upon which it proposes to develop a planned residential complex consisting of rental units and/or condominium units together with limited commercial development. Pursuant to Conditional Use Permit No. 20 issued by the Albany City Council on November 13, 1972, only 12 of the 3 acres will be used for buildings, the other 24 acres being committed to perpetual open space. According to its Site Master Plan submitted to the City of Albany, the development "consists of twenty-five hundred dwelling units, clustered in buildings from two to twenty-five stories in height, constructed on a landscaped community plaza. Utilizing a partial building plan—element concept—the buildings and enclosed parking facilities are constructed in the lower flat portions of the site along the frontage road."

A substantial portion of the area to be used for the development is a partially excavated portion at the lower, almost flat area of Albany Hill. The past excavation occurred when the site was used to provide fill for the development of Golden Gate Fields, a horse racing track situated across Interstate 80 from Albany Hill.

In order for the development to proceed, it was necessary for the developer to secure certain permits from and make certain commitments to the City of Albany. Extensive public hearings were held in regard to these matters and all interested citizenry in the surrounding metropolitan area were given numerous opportunities to be heard and, in fact, did present a wide variety of views during the course of such public hearings.

Interstate prepared extensive studies with respect to the project, examining in depth all the wide variety of problems connected therewith. The City of Albany caused to have prepared an Environmental Impact Report and having in mind all of the environmental considerations approved the proposed development.

Said Conditional Use Permit No. 20 provides for 2,500 residential units of a condominium or rental nature, together with limited commercial development. One of the conditions of this Use Permit is a requirement that the property be rezoned as provided in Zoning Ordinance RZ-14, which ordinance was introduced at the Albany City Council meeting on November 20, 1972, finally adopted on November 27, 1972, and became effective thirty (30) days thereafter on December 27, 1972.

Interstate has agreed, concurrent with the issuance of the first construction permit, to deed to the City of Albany a two-acre parcel at the top of Albany Hill for an overlook park, and to pay the sum of $600,000 for the acquisition by the City or it of additional property adjacent to the two-acre parcel so that the overlook park can be expanded beyond the initial two-acre parcel.

On March 19, 1973, the Albany City Council granted to Interstate an excavation permit which allowed Interstate to begin excavation activities on 4 acres of the 12 acre development site, such excavation being in the flat area of Albany Hill that has formerly been excavated for fill for Golden Gate Fields. Interstate has commenced its excavation work pursuant to the excavation permit which was issued.

III

By stipulating to this Final Judgment, the defendants do not admit to nor has the Court made any determination that there is or has been violation of any law, rule or regulation.

IV

Peter Blackman and Marx Elmer, as counsel for plaintiff California Public Interest Law Center, Inc., and Peter Blackman as counsel for all other plaintiffs, have declined any attorneys' fee in the matter. Plaintiffs have no other counsel entitled to fees. All costs of litigation shall be borne by the parties incurring them.

V

The findings in the Stipulated Order for Final Judgment and For Notice to Class of Final Judgment, entered herein on June 5, 1973, are adopted in this Final Judgment. The terms of the Order have been complied with and the declarations required therein have been filed. This Final Judgment shall fully resolve all issues raised by consolidated actions Nos. 430458 and 434257. All parties waive any right to appeal from this Final Judgment.

Therefore on stipulation of the parties and for good cause shown, it is hereby ORDERED, ADJUDGED and DECREED as follows:

1. Defendant Interstate shall:

(a) Concurrent with the issuance of the first construction permit, deed to the City of Albany for public park purposes, parcel B consisting of 4 acres as shown on that certain map filed herein on June 5, 1973, which map is entitled "Albany Hill Development Project" prepared by Wilsey & Ham, dated May 9, 1973. In the event the City of Albany does not accept said deed within 60 days after delivery, Interstate shall dedicate said parcel B as permanent public open space. Either the deed or dedication is subject to a reservation by Interstate of a non-exclusive 60' wide easement running in an East-West direction along the northern boundary of said parcel B as shown on the Map. Said easement shall be used by Interstate and its successors and their invitees and licensees, as a surface or aerial transportation corridor. It shall not be used by private automobiles but is limited to being used as a corridor for transit facilities. Such transit facilities shall not be constructed in any manner which would cover or obstruct Cerrito creek shown on said map.

(b) Concurrent with the issuance of the first construction permit, deed to the City of Albany parcels C and D as shown on said map, which parcels constitute public access routes between parcel B and parcel A, the overlook park. In the event the City of Albany does not accept said deed within 60 days after delivery, Interstate shall dedicate said parcels C and D for permanent public use as access routes between said parcels A and B. Interstate reserves the right of access to said parcels C and D as shown on said map.

(c) Reserve the right to fence any portion of its property including the private open space shown on said map.

(d) After completion of the first phase of its development of approximately 350 residential units and upon commencement of construction of additional residential units in the second phase of the development, pay to the City of El Cerrito $50,000 when and if a contract is awarded by the City of El Cerrito for the widening of Central Avenue from the western boundary of El Cerrito to Carlson Avenue.

2. In the event the project is constructed in accordance with Conditional Use Permit No. 20 without substantial modification thereof, defendant Interstate shall:

(a) Not construct any buildings east of the line identified on said map as the "Building Line." All property east of said building line to the western boundaries of parcels A, B, C and D shall remain perpetual private open space for the benefit of the residents of the Albany Hill Development Project and subject only to those uses outlined in the Use Permit No. 20 granted by the City of Albany heretofore referred to save and except that Interstate shall be permitted, where necessary in conjunction with the construction to take place on the western side of said building line, to landscape any portion of said private open space parcel on the eastern side of the building line as is necessary to repair the construction site.

(b) Construct buildings to the west of said building line only on a net 12 acres of said property pursuant to the Use Permit. The remaining acreage shall remain private open space.

(c) Not excavate the bluff on the northwest portion of the property as identified on said map on the eastern side of the building line.

3. I Lost 600 Pounds...
The same 10 pounds 60 times.
Diets? I've tried them all.
1. I lost weight so slowly, I got discouraged & quit.
2. I had weird cravings. I would have killed for a Hot Fudge Sundae!
3. One slip and my will power disappeared. The result? An eating orgy until I gained back everything I lost.
4. Ten days on a diet, and I became too cranky and irritable to live with.
5. I became depressed, and after each failure, hated myself a little bit more.
6. I found I couldn't tolerate hunger, it was no fun to starve.
Does this sound like you?

Slightly belated "Happy Birthday" wishes to Security Savings and Loan manager, Delcie Thompson, who celebrated her birthday last Friday. The girls in her office presented her with a lovely pair of earrings and a champagne birthday cake, and the thoughtful husband, Dan, sent her a beautiful orchid to wear. Couldn't happen to a nicer gal!

Maybe the Bayview Eagles had better keep an eye on the Cooks from now on, to make sure they don't take any sudden trips to Reno, Las Vegas or Tahoe's South Shore. . . . It seems that Carrington and his wife, Rose, have been elected treasurers of Bayview Aerie 2323 and the Auxiliary, respectively, and from all the very successful events held in the past and planned for the future, there will be nothing but MONEY in the treasurery. (We're only kidding, of course, we know the Cooks and what grand people they are.)

Sorry to hear that another former Albany Park and Recreation employee has passed away. . . . Funeral services were held in Redding, Calif., on Monday for Andy Marlowe, who retired to the Lake Shasta area in 1963, after 11 years as an Albany P&R Dept. maintenance gardner.

Big League News

By Joy Allen

Albany Post 292's Big League team played Treeview of Hayward on Saturday, June 2, opening day of Big League, winning 1-0, while getting 7 hits.

Gary "Bear" Manuel threw a 3-hitter for Albany, while Mark Kaldunski had two doubles, Glen Silva a double, and Bob Onfeller a single and a triple for Albany.

On Sunday, June 3, they played a double-header in Hayward against the Hayward West Nationals, losing the first game 4 to 3, and winning the second 4-2.

Pitcher Brad Drennan lost 4-3, but only gave up 6 hits, and Larry Davis pitched a 3-hitter in his first time ever on the mound.

Mark Kaldunski hit a triple in the second game, while other hits were made by Don Danner, 2; Larry Davis, 2, and Bill Hoggatt, 1. Post 292 team is now credited with 2 wins and 1 loss in League play.

This team is managed by Little League coach, Chuck Allen and coached by another Little Leaguer, Tom Drennan. Seems like "once a Little Leaguer, always a Little Leaguer."

The next scheduled game will be a home game at Memorial Park on Saturday, June 9, at 3:30 p.m.

Bird Sanctuary Tour For Sea View Club

Sea View Spaders Garden Club of El Cerrito will take a special chartered bus tour next Wednesday, June 13, to explore Audubon Canyon Ranch on Bolinas Bay.

The Ranch is a preserved bird sanctuary forest, and herons are now nesting and can be seen from the hill trail above the trees.

Following the exploring of this beautiful nature preserve, Club members will lunch, then hold a short business meeting and the installation of the 1973-74 officers.

For bus reservations, please call Mrs. Thomas Wheeler, program chairman and 1st vice-president, at 525-6532. Deadline for reservations is Monday, June 11. Guests of members are most welcome.

Brian Hellwig Claims Bride

Brian and Toni Hellwig

—Luoma Photo.

Brian Charles Hellwig of Albany claimed as his bride, Toni Lee Gardine of Columbus, Ohio, in recent ceremonies held in the Oakland Mormon Temple.

The bride, a recent graduate of Brigham Young University, is the daughter of Mrs. Betty Hively and Mr. Courtney C. Gardine of Columbus, Ohio.

The groom, a 1969 graduate of Albany High School is the son of Mr. and Mrs. Eugene Hellwig of Albany. Brian also attended Brigham Young University and served in Minnesota as a missionary for the Mormon Church.

For the ceremony the bride wore a white full-length A-line gown with high neck, empire waist and long full cuffed sleeves trimmed with lace. She carried a bouquet of dried white and purple flowers.

Mrs. Larry Darrington of Dayton, Ohio, the bride's sister, served as matron of honor. Attendants included: Leslie Crane of Montpielier, Idaho; Debra Kerr of Long Beach, and Marsha and Leigh Anne Hellwig, the groom's sisters. They wore full-length dresses with purple flowers printed on a white background.

Witnesses for the ceremony were Eugene Hellwig and Douglas Gardine. Bridegroom attendants included Kevin Flamm and Douglas Cain of El Cerrito, and the groom's brother, Keith.

Following a reception in the Latter Day Saints Chapel in Berkeley, the couple left on their wedding trip to Lake Tahoe.

They are now at home in Albany.

Various Events End School Year

Albany High School seniors have been occupied during the past few days with a busy schedule of activities marking the end of their lives as students at AHS.

The Lake Merritt Sailboat House was the scene of "Dancing in the Moonlight," the Senior-Junior Prom, which was held last Friday evening, featuring music by the "Roadshow" band and photographs by O'Gorman.

Other senior activities included: Senior Ditch Day, Monday, June 4, and the Senior Awards Banquet on June 5, featuring presentation of all major senior awards and scholarships.

Seniors also participated in last Sunday's Day in the Park, when senior parents held a fund-raising project in conjunction with the new Pomona Avenue strip dedication, highlighted by a musical program by the Albany High School Band.

Baby Care Classes

New Mother and Baby Care classes are being offered from 7:30 to 9:30 p.m., Mondays and Wednesdays, at the Berkeley Chapter of the American Red Cross, 2116 Allston Way in Berkeley, with Mrs. Martha Buffum, R.N., as instructor.

The course, which will be given over a three-week period, is free of charge and open to parents, grandparents and other interested persons, who need instructions to prepare them to take better care of new born infants.

Advance registration is required and may be made by calling the Red Cross office at 845-1430.

SENIOR CITIZENS

846 Masonic Ave.

By F. E. (Ted) Pickerill

J. Robert Ward, Attorney At Law, will host Leila Henderson's class on Creative Retirement Wednesday, June 6, from 10:30 a.m. to 12 noon. His subject will be "Wills, Etc." and his talk will be followed by a discussion period. This should be a very interesting meeting since all of us eventually (whether we like it or not) are faced with the problem of making out a will. Like buying a cemetery lot, this task often is postponed for so long that it never gets done, to the sorrow of our heirs.

Leo Vuosalo's class on World Affairs will follow from 12:30 to 2 p.m. Leo's class always includes a discussion period, and usually an outstanding color motion picture.

There will be a business meeting of Albany Senior Center on Thursday, June 7, beginning at 12:30 p.m. At this time, too, there will be a discussion of the social events to be scheduled for the balance of the year.

You are again reminded that the time is here to file for your property tax refunds. All seniors 62 and older, living in their own homes, are eligible to file. Mrs. Jean Rutherford will be here at our Center every Tuesday and Friday from 1 to 4 p.m. to help you fill out these forms. Your refund can be considerable. Be sure to take advantage of Mrs. Rutherford's help.

We need more chess players—or people interested in learning this fascinating game. Our present players will be glad to teach you. Come in and get acquainted.

For additional information about any of our activities, please call 526-1601.

Fleet Reserve To Meet Friday

The Fleet Reserve Association, West Coast Regional District, will meet Friday, June 8, at 7:30 p.m. in the Veterans Memorial Building, Portland and Ramona.

Under discussion will be the recommissioning of Branch 125, and the Military Survivor's Benefit Plan, with a question and answer period to follow.

The Military Survivor's Benefit Plan, commonly known as S.B.P., allows military retirees to bequeath their surviving dependents up to 55 percent of their military retired pay the retiree receives at the time of his death.

All military personnel who were retired prior to September 21, 1972, and who have not yet enrolled in S.B.P. have only until September 20, 1973, in which to enroll.

The Fleet Reserve Association, formed in 1924, is a service organization composed of 88,000 enlisted career personnel of the U.S. Navy, Marine Corps and Coast Guard, on active duty (with more than four years service) and the retired, who have banded together for their mutual purposes and social intercourse. The West Coast Regional District consists of 25 branches in Northern California, Nevada, Utah and Colorado.

WANT TO KNOW THE HONEST TRUTH ABOUT

GROUND BEEF?

IT'S THIS: NOBODY can guarantee its EXACT fat content

There's been lots of talk lately about the fat/lean ratio in ground beef. So why not label each package: Contains X% of fat? Let us tell you why.

We've been making ground beef just about as long as anyone and we know there's no way to make two batches that are exactly alike. Two samples taken from the same batch (or even the same package) can differ in ratio of fat to lean. Even with meticulous care in selecting ingredients, there are variations in fat lean ratio. Even with our most modern grinding and mixing equipment. Even with use of the best available fat-measuring devices.

Yet we know our customers want and expect us to provide them with a choice of ground beef products to meet their varying preferences, tastes and budgets. After long and careful consideration, we have concluded that we can best meet our customers' need for variety by offering just two ground beef products—REGULAR and PREMIUM. We make both kinds from fresh chunks of beef. We prepare both kinds with equal care to maintain the top quality which has helped earn our fine meat reputation.

Our REGULAR is made the way we believe most families prefer their ground beef. It contains enough fat to assure full juiciness in the cooked meat. It makes marvelous hamburgers, meat loaves, meat balls, spaghetti sauce, Salisbury steak and other delicious dishes.

Our PREMIUM is made to please families that want a leaner ground beef. It shrinks less in cooking and makes wonderful ground beef dishes of all kinds—plain and fancy.

Why not try both kinds and see which is preferred by the folks at your house? (You might even want to make a mix with some of each.) The famous Safeway money-back guarantee applies, of course, to our ground beef as to all of our other products.
